# Welcome to the AAPT AEE 2022

The AAPT welcome delegates and commercial friends to the 18th Annual Educational Event held in Liverpool. We hope once again that attendees can update their knowledge of scientific, technological, legal & social issues relating to Anatomical Pathology Technology.

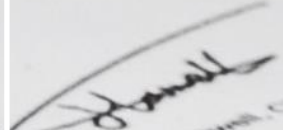

The annual educational event also offers a unique platform for exhibitors to present their latest products and services. The AAPT is indebted to this generous sponsorship and encourage all delegates to visit the exhibition during lunch and break times.

# CPD credits at AEE 2022

Attending every lecture will accumulate 8 CPD credits (1 credit per lecture plus a bonus credit for full attendance).

The CPD certificate of attendance will be sent retrospectively by the planning team via an email.

  
James Linnell, Chair 2022

# Housekeeping 1/3

---

- AAPT official photography & Social media will be ongoing throughout the educational event.
- Every case study and personal experience discussed is confidential. Please remember not to disclose any information outside the event. When writing reflective learning statements these are also kept confidential at the time of submission.
- Use designated smoking areas only, No smoking in the rooms. Any evidence of such, the Hotel has the right to fine the Individual associated with the room. The AAPT will NOT take responsibility for these fines. There will be no exceptions.

# Housekeeping 2/3

---

- You are responsible to settle any 'tabs' you set up or expenses attached to your room.
- No Drinks are to be taken into the Conference Hall except refreshment that is provided during breaks. Please refrain from alcoholic beverages until after the AGM.
- Please do not interrupt speakers. There will be opportunity at the end for questions.
- Registers will be taken during the day for FIRE CHECKS after breaks.

# Housekeeping 3/3

---

- Please engage on the “Comments” wall, post-its and pens are available but please be courteous with comments; this is not a place for derogatory remarks. Feel free to comment on any aspect of the conference from the hotel, facilities, speakers, food, displays etc.
- Suggestions are always welcome and we do look at these. We can’t always follow what everyone desires to see and hear about, however we do try our utmost to cover topics which are raised by the many.
- Please take your merchandise with you at the end of the event. Any rubbish can be placed in bins provided. Please respect the venue and clean up after yourself.
- Please be mindful of the AAPT social media policy. Remember we do not have sole use of the bar and restaurant. Be mindful where you discuss your working practices

## **Meritxell Miret MAAPT**

Abstract: SIGN HERE: THE EVOLUTION OF CONSENT

As APTs we know how essential informed consent is for all our activities. But before the Mental Capacity Act, Deprivation of Liberty Safeguards and the Human Tissue Act came into place as we know it, there were a lot of procedures performed under a very diverse and different definition of “consent”..

## **Gary Thomas FAAPT**

Abstract: THE APT AND CRUSE EFFECT

The ability to listen and hear what is being said and know how to interact is something we have minimum training of during our extensive training to be an APT. The Cruse training teaches active listening technique and process models that allow us to better understand a client with a view to guiding them in the right direction and helping them cope with their loss
