

The AAPT Educational Event is an annual opportunity for delegates to update their knowledge of scientific, technological, legal and social issues relating to the healthcare science profession of anatomical pathology technology.

The event also offers a unique platform for exhibitors to present their products and services. Since the pandemic began we are sure you would all like to exhibit useful and new items. This year the annual educational event will be held in Tunbridge Wells at The Mercure Hotel on 25th September 2021.

Exhibition space is available, but is limited and will be offered as a priority to Company Members of the AAPT in the first instance.

Previous events have received excellent feedback from delegates and trade, the audience is predominantly made up of technologists.

EDUCATIONAL EVENT VENUE 2021
